

Good Roads.

The roads are so beastly that we haven't the heart to try to say anything about the good roads proposition this week. Work will begin whenever the weather will permit, and not before. We say this in answer to the d—d fools who keep asking us.

The committees are not nearly through their work of soliciting, either. Our readers will miss several names from the list who will come up with the right thing when called upon. But they should not wait for the committees to call on them. Call on either F. G. Cross, T. J. Morrow, A. L. Harvey or J. J. Fribley, and say what you'll do.

The Best Prescription for Malaria
Chills and Fever is a bottle of Grove's Tasteless Chill Tonic. It is simply iron and quinine in a tasteless form. No Pay. 50c.

Armstrong, the East Side barber.

BEGGS' CHERRY COUGH SYRUP cures coughs and colds.

Hill's bill extending the life of chattel mortgages from one to two years was passed by the House. As originally framed the bill provided that chattel mortgages should run the life of the note, but so much opposition was offered to this that Hill fixed up the two years limit as a compromise and succeeded getting the bill through. The bill is particularly in the interest of implement dealers who do a big business in chattel mortgages. They don't want to be troubled with renewing the mortgages every year.

READ IT THROUGH.

'Twould Spoil This Story To Tell It In The Headlines.

To use an eighteenth century phrase, this is an "o'er true tale." Having happened in a small Virginia town in the winter of 1902, it is a story very much of the present. Up to a short time ago Mrs. John E. Harmon, of Melfa Station, Va., had no personal knowledge of the rare curative properties of Chamberlain's Cough Remedy. "Last January," she says, "my baby took a dreadful cold and at one time I feared she would have pneumonia, but one of my neighbors told me how this remedy had cured her little boy and I began giving it to my baby at once and it soon cured her. I heartily thank the manufacturers of Chamberlain's Cough Remedy for placing so great a cure within my reach. I cannot recommend it too highly or say too much in its favor. I hope all who read this will try it and be convinced as I was." For sale by A. R. Kane.

In transplanting nursery or fruit trees preserve all of the roots possible. If any get injured cut them off, making a smooth, slanting cut. Guard the roots carefully from exposure to wind or rain while the trees are out of the ground. Give the roots a deep, broad bed of soil to start in, spread the roots out naturally, the tree but little if any deeper than it grew in the nursery. Have the soil well fixed and fill in carefully around the roots, and after the roots are covered press the soil down well upon them, as it is important to have the roots come in close contact with the soil.

Colds Are Dangerous.

How often you hear it remarked: "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is of such common occurrence that a cold, however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency toward pneumonia. It always cures and is pleasant to take. Sold by A. R. Kane.

This is the way they do things in Labette county. Monday of this week eleven of the neighbors of Mrs. Herbaugh, headed by Captain Dan Sykes, took possession of her premises. Immediately they begun work with their axes and teams and as a result of their day's work a pile of split wood is piled up in the wood yard, the like of which has never been seen there before, according to Mrs. H., and she has lived there thirty years. Work like this always counts and is not only appreciated by Mrs. H. who had been ill a long time but by her numerous friends in Oswego and vicinity.—Oswego Independent.

We'll Again.

The many friends of John Blunt will be pleased to learn that he has entirely recovered from his attack of rheumatism. Chamberlain's Pain Balm cured him after the best doctors in the town Monon, Ind. had failed to give relief. The prompt relief from pain which this liniment affords is alone worth many times its cost. For sale by A. R. Kane.

John W. Mattox, one of "Funston's fighting twentieth," has settled down to the peace and quiet happiness of married life. Wednesday morning he was married to Miss Nova Pearl Wilson, one of the Sedan's most charming daughters. The Lance extends its best wishes for the young people, and a bright and happy future.—Sedan Lance. The groom is an old Baxter boy.

Working Overtime.

More Riots.

Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the liver or kidneys as Electric Bitters. It's a wonderful tonic, and effective nerve and the greatest all around medicine for run down systems. It dispels nervousness, rheumatism and neuralgia and expels malaria germs. Only 50c and satisfaction guaranteed by A. R. Kane druggist.

Tragedy

"Just in the nick of time our little boy was saved" writes Mrs. W. Watkins of Pleasant City, Ohio. "Pneumonia had played sad havoc with him and a terrible cough set in besides. Doctors treated him, but he grew worse every day. At length we tried Dr. King's New Discovery for Consumption, and our darling was saved. He's now sound, and well." Everybody ought to know, it's the only sure cure for coughs, colds and all lung diseases. Guaranteed by A. R. Kane, druggist. Price 50c and \$1. Trial bottles free.

Wakeful Children.

For a long time the two-year-old child of Mr. P. L. McPherson, 59 N. Tenth St., Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these tablets have effected a permanent cure and she is now well and strong. For sale by A. R. Kane.

A Remarkable Case.

One of the most remarkable cases of a cold, deep-seated on the lungs causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I run down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Morrow & Co.

Dangers of Pneumonia

A cold at this time if neglected is liable to cause pneumonia which is so often fatal, and even when the patient has recovered the lungs are weakened, making them peculiarly susceptible to the development of consumption. Foley's Honey and Tar will stop the cough, heal and strengthen the lungs and prevent pneumonia. Sold by A. R. Kane.

Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co. of Chicago, discovered, some years ago, how to make a salve from Witch Hazel that is a specific for piles. For blind, bleeding, itching and protruding piles, eczema, cuts, burns, bruises and all skin diseases, DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits.
